SPARTANKIDS
FOUNDATION

THANKS SPARTANS,
for your generous support for The Spartan Kids Foundation!

This Giving Tuesday, Spartan is recommitting itself to supporting healthier kids across America in 2024 and beyond!!

We wish to thank the **Spartan Community** for your ongoing support over the past eight years. Your generous donations have enabled our **Kids Foundation** to continue its important mission to improve the fitness, health, and nutrition of underserved children nationwide.

In 2024, as it has over the past eight years, the Kids Foundation continued to make major strides to support healthier kids, by enabling thousands of new, young Spartans to participate at no cost at **Kids Races** and helping to build financial support through donations to youth organizations **towards developing the next generation of Spartans**. With a host of new partners for 2025, including the **President's Council on Sports, Fitness & Nutrition**, we are excited to keep moving forward and building on our success!

LET'S HEAR FROM OUR PARTNERS!

THE BOY SCOUTS OF AMERICA (Mass.)

> **The Mayflower (Boy Scouts) Council** is very excited for our 2nd year of partnership with **The Spartan Kids Foundation**. We pride ourselves on providing experiences to our scouts that they may not receive in other areas of their lives and so the option to race in a Spartan Race has been an amazing opportunity. Not only did we have over 200 scouts race during the **2023 Fenway race**, most of them can't wait to race again this year and are bringing their friends!
>
> We're looking forward to next year to see even more of our scouts become Spartan racers. ***Thank you to The Spartan Kids Foundation and Spartan for their support of scouting and encouraging our youth to be physically active***.

FIT KIDS®

We are incredibly grateful to Spartan Kids Foundation for giving our students an unforgettable opportunity to participate in the **Spartan Kids Race at the iconic Dodger Stadium**.

This experience was truly special, especially for kids who might not have had the chance otherwise, and it allowed them to challenge themselves in a thrilling and empowering setting. Your dedication to making fitness accessible and inspiring resilience in young people is invaluable. Thank you for creating a day filled with excitement, achievement, and lasting memories for our **Fit Kids**!
